RBI Club Mission

We, the RBI Club, are a Booster Club for the baseball program at Bedford North Lawrence High School.

We are an all-volunteer organization whose sole mission is to support the baseball teams (Varsity, Junior Varsity, Freshmen) throughout the season and the year.

Spring Break:

If your family has a vacation planned, do not feel you have to change your plans at this time. I would encourage the boys to work hard over the break on their own.

Keep in mind that players need **10** practices before they can compete in a game.

There may be optional hitting practice during March 24-26.

Player Practice Packs & Hats:

All players are required to purchase a practice pack. The pack will consist of pants, red jersey and navy jersey.

If you are interested in purchasing a flex-fit BNL Baseball hat, see Coach Callahan. Hats will be ordered next week.

VICTORY IS OUR GOAL:

In Life: The coaching staff desires to help develop our players into fine young men.

In The Classroom: The coaching staff encourages our players to be the best student possible.

In Baseball: The coaching staff will develop our players to reach their potential on the field.
