**NFC CHAMPION**

\* Horizontal and vertical #'s grid numbers will be randomly assigned once all squares are filled.

The BNL Baseball program is currently raising money for our upcoming 2026 season. Please support our team by purchasing your Super Bowl square(s) today. Proceeds raised will go to the BNL Baseball program to help cover costs, while \$500 will go to two lucky winners!

## **What is a Super Bowl Squares fundraiser?**

This fundraiser is a basic 100 square grid for the NFL Super Bowl Game. The board is a 10x10 grid of boxes where each row and column are assigned a number from 0 to 9. Each square of the grid can be claimed by a participant for \$10 per square. At the end of each quarter, the last digit of both teams' score is compared to the grid to determine a winner. Payouts will be \$100 for quarters 1, 2 and 3; and \$200 for the end of the 4<sup>th</sup> quarter.

For example, at the end of the 1<sup>st</sup> quarter, if the score is 7 (AFC Champion) to 3 (NFC Champion), the participant associated with the square that corresponds to "7" across the top line and "3" across the left side is the winner. Same thing goes for the end of the rest of the quarters.

Participants will be randomly assigned a square after all 100 entries have been paid for. Once all participants have been assigned a square, the grid numbers (top and left side) are randomly assigned. All squares and numbers are randomly assigned by computerized random generator software.

Once the boards have been generated, we will post all boards to our BNL Baseball Facebook page and website. We will also announce the winners on our social media platforms.

## **What is Our Goal?**

Our goal is to have all 100 squares sold where half of the proceeds will go to the winners and the other half will help support the BNL Baseball program. Contact your friends, family and co-workers. As a grid fills up, we can open new grids.

## **Overtime?**

A common question that arises is: "What happens if the game goes into overtime?". If the game goes into Overtime, the score at the end of regulation will be used for the 2<sup>nd</sup> winner.

## How to Pay?

Participants can pay in cash to the BNL Baseball program or use our BNL RBI Club Venmo option. Please be sure to comment your contact information (so we can contact you if winner) as well as what player you would like to associate your purchase with.

To Pay with Venmo click the following:
